

## **Firefighter Kyle Kurtich Website Bio**

Kyle started in the fire service as a volunteer with Harwinton West Side Fire Department in 2019. He earned his EMT certification in 2019, and his firefighter certifications in 2020.

Kyle joined Jollyville Fire in 2023 as a volunteer, then was a part-time firefighter, before going full-time in March 2024.

Before that, Kyle had a 15-year career in the live event production industry setting up, running, and tearing down concerts, theatrical productions, dance shows, conventions and corporate events, and providing technical support for these types of events. This is what originally brought Kyle to Texas from Connecticut in 2022 after working across New England since 2009.

In addition to working at Jollyville Fire, Kyle volunteers with Travis County Search & Rescue and currently serves as their Chief of Operations, and he is a member of Texas A&M Task Force 1 as a Technical Search Specialist.
