Firefighter Melero is from El Paso Texas and is a second generation first responder. After graduating Texas State University in 2020, Maddie joined the Jollyville Fire Department as an unpaid volunteer firefighter and became an invaluable member of the team. She quickly knew this is what she wanted to do and worked hard to get her Fire and EMS certifications. She joined the paid ranks in 2023 and looks forward to coming into work and inspiring the next generation of female firefighters.
